“Bush Camp Adventures ”

Day One

Arrive into Arusha arrival point. Meet and transfer to accommodation followed by pre-adventure briefing

Outpost/Ahadi Lodge

Dinner

Day Two

We depart after breakfast to transfer to Tarangire National Park for game driving and picnic lunch. Tarangire is famous for huge elephant herds, amazing birdlife and baobab trees - all thriving along the banks of the great Tarangire River. We continue on to our campsite.

Twiga Campsite

Breakfast, Lunch, Dinner

Day Three

We climb into the Crater Highlands and stop for an essential view across the Ngorongoro Crater - the magic of the caldera below. We via off to explore Olduvai gorge and then enter the famous Serengeti plains; game driving all the way to camp.

Serengeti Campsite

Breakfast, Lunch, Dinner

Day Four

The Serengeti is home to an amazing eco-system fed by several large rivers like the Seronera and Grumeti Rivers. It is around these permanent water sources that wildlife congregates, especially in the dry season.

Breakfast, Lunch, Dinner

Day Five

An early departure allows us to explore the areas around Ndutu or Gol Plains before arriving at our camp on the rim of Ngorongoro Crater for a sunset to remember.

Ngorongoro Crater Rim Campsite

Breakfast, Lunch, Dinner

Day Six

An early departure to descend into the Crater floor for a day of game viewing. This caldera is home to 120 species of mammals and various habitats and acts similar to an oasis, with fresh water springs bubbling year round. We arrive at the camp late afternoon.

Ngorongoro Highlands Campsite

Breakfast, Lunch, Dinner

Day Seven

We descend from the Crater Highlands, and enter Lake Manyara for morning game driving and picnic lunch. Lake Manyara is famous for its water birdlife and herd animals in close proximity. We continue onto Esilalei Maasai village for overnight, enjoying cultural exchanges around the campfire.
